All About Love

I never considered myself much of a love girl. Romantic atleast ... of capable of love in the way that everyone expects it to be. But I've realized that thats simply not me. I am all about love in a different way. I love my friends, my family, my community and every experience that has made me close my eyes and sigh thankful to be alive.

So maybe I am a love girl?

My love is my own and I choose to give it to my friends and my community. I believe in this love because it has sustained me. Built me, healed me, and molded me into the person I am now. I am all about love because I am all about my friends.

I THINK IT PISSES GOD OFF IF YOU WALK BY THE COLOR PURPLE IN A FIELD SOMEWHERE AND DON'T NOTICE IT. PEOPLE THINK PLEASING GOD IS ALL GOD CARES ABOUT. BUT ANY FOOL LIVING IN THE WORLD CAN SEE IT ALWAYS TRYING TO PLEASE US BACK.

YOU

Dear Ken (and everyone reading this),

I love you! I am in love with you. I love to love you. I am so lucky to know you. My heart beats at the same time as yours. O.K... to everyone else reading this...

I want you to love openly & fully. Love is scary at times; but you lose nothing from being your truest self. This is not just romantic love, this is platonic too. Treat your friends & write them letters. okay back to me. I love your big brown eyes that say "I love you Taj" without actually saying it. I feel like the luckiest there in the world because I get to be with you.

love,
Taj

I love you most btw. . . .
